BRASSERIE

THE "BRASSERIE"

„Brasserie“ is a French definition of a public house. The “Brasserie” is less sophisticated and simpler equipped than a restaurant but offers – compared to a bistro, bar or coffee shop – a wider range of food, provides beer and plain fare.

HOW TO MEET „CHEZ MARIE“

Our “Brasserie” in the lobby of “Das-Posthotel” in Zell am Ziller does not just offer a public house, it is up-to-date with ingenious ideas for home cooking, best with organic ingredients of regional producers.

*Daily open
